

Peek at the Week

Year 2–9th May 2024

Important Dates / Reminders

Please remember to complete Maths homework and read daily.

Children should complete one piece of homework each week from their Summer 1 Homework Menu.

Please wear PE kits on a Wednesday.

When logging into Numbots, you need to log in as school not parent, it is quite confusing on the website. Then your child's log in should work.

Beale Park Trip: 12th June 2024

Our Learning

This week, in Maths the children have moved on from recognising fractions of shapes to finding a fraction of an amount for example one half of 8 or one quarter of 12. The children are becoming more confident with fractions which is great to see. In English, the children have chosen to either make a fact file about a snail or a whale. They have been using their reading skills to find out information about their chosen animal. In Science, the children have been getting outside and making habitats out of their shoe box.

Next week, the children will be writing their fact files about their chosen animal. In Maths, we are moving on to length and we will be learning how to use a ruler to measure accurately. In R.E, we are going to be starting to learn about Judaism.

Child of the week

2Hawking: Keyan

2Franklin: Kirat

2Newton: Ayva
