Our Learning

This week, the children have been reading a story called 'The Woolly Mammoth' and then they have been writing their own set of instructions about how to wash their chosen animal. In maths, the children have been using a ruler to measure a length using centimetres. In PSHE, the children have been learning all about friendship and how to be a good friend but also how to resolve conflict in friendships.

Next week, the children are going to be enjoying a trip to 'Beale Park'. On the trip, the children will take part in a workshop, go in the sand pit and enjoy seeing all the animals. Then, the next day, the children will write a recount of their trip. In Maths, we are going to be measuring items using a metre stick. Please make sure that your child has their water bottle for the trip and they are wearing lots of sun cream! I am sure we will have a fantastic day!
