INSET
- **Monday 17th June –Friday 21st June**–Arts  
Week

### **Polite Reminder**

Please can you ensure that your child brings a named water bottle to school.? Thank you.

### English

This week we have explored the actions and motives of Theseus after he defeated the Minotaur in battle. We have practised using the 'show not tell' technique to give subtle clues about how a character is feeling and we have focused on using the correct punctuation for dialogue. We are now nearing the end of Theseus and the Minotaur, Next week the children will begin planning their own myth.

### Maths

Our magnificent mathematicians have started a unit about Money. The Year 3 team have been impressed with the children's knowledge of coins and notes. They have also used practical resources to help them work out a variety of word problems. The children have learnt all about converting pounds to pence and adding money. Next week, the children will continue with subtracting money and finding change..

### ICT

Currently, we are completing a unit about desktop publishing. This week the children have discussed the difference between images and text. They have learnt that text and images need to be used carefully to communicate messages clearly. The children have also talked about the advantages and disadvantages of using text, images or both. In our next lesson we will think about how to change font size, colour, and type .

### Star of the week

**3Rashford:** Shannon

**3Moore:** Jay-Jay

**Wicks:** Amber-Rose

Word of the Week: advantage
