

Peek at the Week

Year 3 – 7th July 2023

Important Dates / Reminders

- **Priory School Jubilee** - we are going to celebrate the school's opening on **Friday 8th September**. The school will have been open for 70 Years! Please keep checking the schools newsletter for events organised for this special day.
- **Transition day** – the children came back very happy after their visit to their year 4 class on Tuesday.
- **Priory Friends meeting** – thank you to all those parents that have attended Priory Friends meetings over the past few weeks. It is fantastic to see positive engagement. The next PF's coffee morning is on **Wednesday 12th July**. We look forward to seeing you then.
- **Year 6 summer fayre–12th July**. Start saving up now for this fantastic annual event. Lots to do for children and adults.
- **Library reminders**–your child will bring home a library reminder on **Monday 10th July** with the name and author of their library book that needs returning–thank you.
- **Homework**–your child has bought home spellings homework ready for their spelling test next Friday. They are expected to read, engage with Doodle maths and complete a task from their homework menu.
- **Last day of term–21st July, early finish**. Please see newsletter for collection time.

English

This week, we have started a beautiful new book entitled "The Bluest of Blues" by Fiona Robinson. We started by discussing and analysing the illustrations inside the book, before beginning to read it. We also explored what a biography is and we read an example of a biography about Marcus Rashford. Next week we will write a short autobiography.

Maths

This week, our marvelous mathematicians have explored a.m., p.m., hours, days, weeks, months and years.

Children have linked the following numbers to time– 7, 12, 24, 60, 138, 365, 366. Please ask your child what these numbers mean. They should continue to work on telling the time, working with 12, 24 hour clocks and analogue clocks. Can they calculate how many days it is until their next birthday?

Topmarks.co.uk has many activities relating to time that your child can use. We are continuing to answer times tables questions from 2– 12.

Star of the week

3Rashford

Emily

3Moore

Bailey

3Wicks: Jayaan

Word of the Week: question
