

Peek at the Week

Year 3 – 08.07.22

Important Dates / Reminders

- **Race for life** took place this morning to raise money for Cancer Research. Thank you to those families who have returned the fund raising forms with money. Please do send your child's sponsor money into school next week.

- 14th July – **end of year reports.** A time to celebrate the success of your child's learning in year 3.
- 15th July – **Year 6 summer.** Y6 will hold their Summer Fayre on the KS2 playground on Friday 15th July between 1:45-4pm. Children in year 3 will attend supervised by adults from the year group from 1:45-2:45pm. Children in EYFS and KS1 can attend after school from 3pm-4pm supervised by their parents and of course EYFS and KS1 staff are free to attend after school too. Please allow your child to bring money for them to spend in either a wallet/purse or a named envelope.
- 20th July – **end of term.** Collection on this day is **11.45am.** It would be greatly appreciated if you can ensure your child is collected at this time promptly.

Library books

Please can your child return any library books that they have checked out from the school library. Thank you.

Doodle maths

As a year group, we are not completing many doodle maths activities. This is a fantastic resource to help with your child's maths learning. Hopefully, year 3 will have better participation with doodle maths for next week.

Our Learning

English

This week, we have continued with our new book "The Bluest of Blues". We have learnt the difference between an autobiography and a biography. We were inspired by this to write an autobiography of our lives. We also carried out research into the fascinating world of beetles, ready to plan and write a non chronological report about these insects next week.

Maths

We have started our new unit on properties of shape. Our first lesson focussed on turns and angles. We had to decide whether the shape completed a quarter turn, half turn, three quarter turn or full turn. This was quite challenging! We then went onto learn about right angles on shapes. A request – please continue to tell the time at home.

PSHRE

This week we learnt about the visible changes that happen when a boy and girl start to develop from a baby to an adult.

Commonwealth games week

A fantastic celebration of sport celebrated this week. The children had opportunities to take part in many activities. Please do ask your child what they enjoyed most about this week of sport.

Star of the Week

Rashford:

Nicolly

Moore:

Skye

Wicks: Jakob

Words of the Week:

change

transform
