### Our Learning

#### English

This week we have recapped the different jobs that Stone Age people had to do every day and we have used our ideas to inform the prospective holiday makers about the exciting adventures awaiting them at Skara Brae.

#### Maths

This week, our amazing magicians have explored the 8 times table using multiplication and division. They have also made connections with the 2, 4 and 8 times table using doubling.

#### RE

We have begun our learning about the meaning of Christmas by reminding ourselves of the nativity and writing about the arrival of Jesus. Lots of conversation was had about the importance of the baby Jesus.

#### Homework

With a very busy week ending the autumn term, homework will be given out next Friday 16th December ready for the first week back in January.

### Star of the week

**3Rashford:** Siena–Maria

**3Moore:** Safa

**3Wicks:** Marcus
