### Our Learning

#### English

This week we have completed our learning on The Pebble in my Pocket by writing from three distinct periods, describing the changing landscape of our local area in 1914, 1953 and 2022. The children have used expanded noun phrases, adverbs and adjectives in their writing. They have also included different sentence types, such as commands, questions, exclamations and statements.

#### Maths

This week, the children continued using their skills of addition and subtraction of three digit numbers from two digit numbers. They also learnt about estimation and dug deeper into the concept of inverse operations. Please do help your child with using the inverse by asking them questions such as  $3 \times 4 = 12$  so what is  $12 \div 3 = ?$

#### PSHRE

We have started our unit on celebrating differences and some amazing descriptions were provided by the children of their families! Words such as supportive, loving, caring and annoying were used!
