

Peek at the Week

Year 3 – 12th May 2023

Important Dates / Reminders

- **Priory friends coffee morning–17th May from 9.00–10.00.** Come and join this meeting to learn what being involved with this organisation means and for an opportunity to join the Friends.
- **Wear it Green Day : Friday 19th May.** Wear it Green for mental health. Best Dress Competition. Children can wear their uniform if they wish as it is green.
- **Priory School Jubilee** - we are going to celebrate the school's opening on **Friday 8th September.** The school will have been open for 70 Years!
- **Inset day**–Friday 26th May 2023
- **Half term week–29th–2nd June 2023.**The children return to school on **Monday 5th June.**
- **Water bottle**–please ensure your child brings a named water bottle to school. We have a number of children who say they have a headache due to not drinking enough water during the day.

PE

It is fantastic for the teachers in the year group to teach the children PE. The children are knowledgeable about the strategies and equipment they need to use for each lesson. Please can you ensure that your child is wearing the correct PE uniform for each PE lesson and any earrings are taken out on Tuesday morning or covered in tape. Thank you.

English

In our writing this week, we have explored different techniques to make our sentences more exciting, such as using repetition for effect or precise verbs to describe characters' actions. We are now nearing the end of our Greek Myth, Theseus and the Minotaur. Next week, we will be carrying on the story writing the next chapter of our own myth. We cannot wait to see how the children use their knowledge of ancient Greece to create the next chapter.

Maths

This week our mathematicians completed the block of lessons regarding money. This involved subtracting money and finding the correct change using practical resources in the classroom. Next week, the children will begin learning about time. It would be helpful if you could talk them through/explain the different hands of the clock (what they represent) and key facts about knowing how to tell the time.

French

This week the children learnt the names of animals in French. If you have an animal at home, ask your child to tell you the name in French. Looking at pictures of animals is another way your child can share their knowledge of French animal words with you.

Music

This term the year 3 children have been using chime bars (pitch notation). They have learnt 2 unison and stop-of the tune.

Star of the week

3Rashford

George

3Moore:

Kadhir

3Wicks: Zara

Word of the Week: circle
