

# Peek at the Week

## Year 3 – 15th March 2024

### Important Dates / Reminders

- **Monday 25<sup>th</sup> March** – The Holi. colour run will take place after school on the field .
- **Wednesday 27<sup>th</sup> March** – Easter Egg Hunt . A house competition to celebrate the festival of Easter.
- **Talent show–28th March.** The acts going forward to the talent show in Year 3 have now started their formal rehearsals. We cannot wait to see the Year 3 children perform in the Talent Show.
- **End of term Thursday 28th March**–Finish by 12:00pm

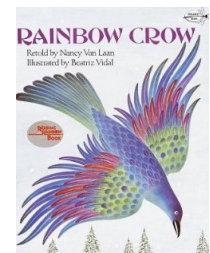

### Music Recital

One of the highlights of this week was a visit on Tuesday from three musicians from the Windsor Festival . They played two contrasting pieces on the double bass and the viola and we enjoyed sharing how each piece of music made us feel. What a treat!

### Our Learning

#### English

This week, in preparation for planning their own stories, the children have explored a variety of Pourquoi stories from around the globe, including some of the Just So Stories by Rudyard Kipling. They have also enjoyed reading the Native American Legend of Rainbow Crow which they are going to retell next week as a Pourquoi story.

#### Maths

This week, our brilliant mathematicians have used their understanding of numerators and denominators to determine how many equal parts a scale has been split into, so that they can identify what fraction is shown. They have also begun to explore how fractions can be represented on a number line.

#### STEM WEEK

This week the children have had a wonderful time celebrating Science, Technology, Engineering and Maths. This year the theme was 'Time' and the children thoroughly enjoyed making sundials , taking part in a problem solving workshop and researching why dinosaurs became extinct. We even took part in a Live Science lesson where the children had to use their knowledge of life cycles to crack a secret code.
