

Peek at the Week

Year 3 – 16th June 2023

Important Dates / Reminders

- **Priory School Jubilee** - we are going to celebrate the school's opening on **Friday 8th September**. The school will have been open for 70 Years! Please keep checking the schools news-letter for events organised for this special day.
- **Labelling clothing**– please ensure your child's jumper/cardigan is labelled with their name. This will make it easier to locate and return to your child if they are misplaced.
- **Sport day**–we will be re-arranging the year 3 sports day. As soon as we have a suitable day, we will let you know.
- **Learning together mornings**–thank you for booking for the year 3 learning together morning which is next Wednesday 21st June. We look forward to having you in class.
- **Ure museum trips**– these will take place for the three classes on three different days–3R–20th June, 3W–22nd June and 3M–27th June. There is a voluntary contribution of £4.60 to pay. For the Tuesday trip days, children to arrive in their PE kits, ready for PE in the afternoon.
- **Priory Friends meeting**–23rd June 2023 at 9.00am. Please do come along to get involved with Priory Friends and learn about the various events that have been planned.

English

We are all enjoying watching “The Blue Umbrella” and we have been gathering fantastic ideas and vocabulary to use in our own stories, including precise verbs, prepositional phrases and similes. Friday's lesson was particularly enjoyable–with some amazing onomatopoeic words suggested. Next week we will be planning our own story inspired by the film.

Maths

The children have been interested in discussing 2 and 3 dimensional shapes. They have drawn parallel lines, perpendicular lines, polygons, describe 2 dimensional and 3 dimensional shapes (what's the same and the difference between them). Finally, we have discussed faces, edges, vertices and curved surface in 3 dimensional shapes. Next week, the children will start the next block of lesson which is Statistics. The focus this week continues to be on the 11 and 12 times tables.

Geography

This week the children have learnt that biomes are areas of the planet with similar climates, landscapes, animals and plants. They have enjoyed finding out about the main biomes and they have drawn illustrations with captions to show the key facts they have discovered. The main biomes included desert, aquatic, rainforest, grassland and tundra.

Design an invitation
 Event: Jubilee 2023 – Join Our Picnic
 Who: VIP guests (governors, residents and invited parties)
 Where: Priory School
 When: Friday 8th September (11.00am – 2.00pm)
 Deadline: ASAP. Please hand in to your class teacher by 3rd of July.

Design a Jubilee plaque
Priory School
 ...celebrating 70 years

Keep the wording simple. Include the school logo! No spelling mistakes!
 Deadline: ASAP. Please hand in to your class teacher by 1st July.
