

Peek at the Week

Year 3 – 19th April 2024

Important Dates / Reminders

- **Homework.** Thank you so much for supporting your child with ensuring they bring their homework book in on Thursday. Homework will continue to be given out every Friday with the completed homework being returned to school every Thursday morning.
- **PE uniform for clubs.** A polite reminder please that if your child has an after school club, they bring the correct uniform and equipment. The children are disappointed if they are informed that they cannot attend a club for this reason..
- **Monday 6th May** –Bank Holiday
- **Wednesday 22nd May**–Priory Soiree from 6:00pm–8:30pm

Talent show

We are so proud of the Year 3 participants in the recent Talent Show. Very well done to George Perkins and Mia Tsang!

English

As part of our topic about Ancient Greece, the children have begun to read the Greek myth 'Theseus and the Minotaur'. They enjoyed using drama to explore the character of the Minotaur, which helped them to generate some lovely vocabulary to describe his appearance. Next week they will be taking an imaginary journey through the labyrinth to try to defeat this terrifying creature.

Maths

This week, our magnificent mathematicians have been working hard on fractions! They have focused on adding and subtracting fractions, and they have also begun to partition a whole. Next week the children will calculate unit and non-unit fractions of a set of objects.

History

This week we have started our unit It's all Greek to me. The children are fascinated by this period in history and they have been asking lots of very interesting questions. They have learnt the difference between B.C. and A.D. and they have placed key events on a timeline. Next week we will be learning about significant Ancient Greek cities/polis such as Athens and Corinth.

PSHRE

The current unit the children are studying is Relationships. This week we have learnt the term stereotype when discussing which roles /jobs are suitable for men and women. Next week the children will explore strategies they can use to resolve conflicts with their friends.
