

Peek at the Week

Year 3 – 19th May 2023

Important Dates / Reminders

- **Wear it Green Day : Friday 19th May.** Thank you for supporting this event today. The children looked amazing in their green clothing.
- **Priory School Jubilee** – we are going to celebrate the school's opening on **Friday 8th September**. The school will have been open for 70 Years! Please keep checking the schools newsletter for events organised for this special day.
- **Inset day**–Friday 26th May 2023
- **Half term week**–29th–2nd June 2023. The children return to school on **Monday 5th June**.
- **Water bottle**–please ensure your child brings a named water bottle to school. We have a number of children who say they have a headache due to not drinking enough water during the day.
- **PE** – Please can you ensure that your child is wearing the correct PE uniform for each PE lesson and any earrings are taken out on Tuesday morning or covered in tape. This is to ensure your child is kept safe in the activities they do.

English

This week we have finished reading Theseus and the Minotaur. What an unexpected ending! We really enjoyed creating a mythical creature to include in our own version of the story and we focused on using some adventurous vocabulary to describe its different features. Next week we will complete this unit by writing our own myth.

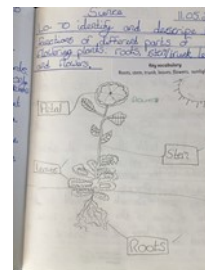

Maths

Our magnificent mathematicians have started a block of lessons on time. We began with Roman numerals, telling the time to five minutes, reading time on a digital clock and having opportunities to work with a personal clock of their own to tell the time. Could we ask that you ask the children what time it is as displayed on your analogue clocks at home?

Science

This week we began our science unit on plants, learning to identify and describe the functions of a plant. This includes the roots, stem/trunk, leaves and petals/flowers. In the next lesson, the children will learn the requirements help them conditions are detri-growing and any plants at your children see what answers

the children will learn of plants–what condi-grow and which con-mental to plants thriving. If you have home, please do ask these questions and you receive!

Star of the week

3Rashford Ibrahim

3Moore: Preston

3Wicks: Raem

Word of the Week: accidentally
