Our Learning

English

The children have consolidated their learning on The Stone Age boy by planning and writing their own version of this story. They have used writing feature such as paragraphs, similes, time adverbials, onomatopoeia and adverbs. We are looking forward to reading their stories over half term.

Maths

This week in maths the children have added and subtracted 1's across a 10 and added and subtracted 10's across a 100. We continue to practice our 10 times table. Here is a reasoning question. Can your child help you answer this question? After half term, we will be adding and subtraction numbers with no exchanges.

Half term homework

Next week is half term week. The children have been provided with their spellings for Friday 3rd November. They have also been provided with the autumn 2 homework grid which they can start completing over half term.

Field Studies Council visits

There are still some parents that have not paid for the visit. Please do so as soon as you can. If you are uncertain whether you have paid, please speak with Mrs Bowser. The visits are taking place with 3Rashford attending after half term on Tuesday 31st October.

Star of the week

3 Rashford: Mannat **3Moore:** Lohan **3Wicks:** Reggie
