

# Peek at the Week

## Year 3 – 21st April 2023

### Important Dates / Reminders

- **Homework.** Thank you so much in supporting your child with ensuring they bought their homework book in on Thursday. Homework will continue to be given out every Friday with the completed homework being returned to school every Thursday morning.
- **PE uniform for clubs.** A reminder please that if your child has an after school club that they bring the correct uniform and equipment. The children are disappointed when they are informed they cannot attend a club due to this reason.
- **Kings coronation celebration–5th May.** Street food will be served in lunch bags. Children can grab a bag and sit outside, weather permitting. During the afternoon the classes will complete activities linked to the coronation.
- **Priory friends coffee morning–17th May from 9.00–10.00.** Come and join this meeting to learn what being involved with this organisation means and for an opportunity to join the Friends.

### Talent show

We are so proud and so impressed with year 3's contribution at this year's talent show. Very well done to Siena–Maria, Emily and Evelyn and Abu-Bakr.

### English

As part of our topic about Ancient Greece, the children have begun to read the Greek myth 'Theseus and the Minotaur'.

They enjoyed using drama to explore the character of the Minotaur, which helped them to generate some lovely vocabulary to describe his appearance. Next week they will be taking an imaginary journey through the labyrinth to try to defeat this terrifying creature.

### Maths

This week, our magnificent mathematicians have been working hard on fractions! They have added and subtracted fractions, partitioned a whole and ended the week with non-unit fractions. Next week, our magnificent mathematicians will begin with Money! The children will be using practical resources to fully comprehend spending pounds and pence, adding, subtracting and finding the right change. It would be helpful if your child/ward could help you with finding change or calculating the amount being spent when you go to the shops or whenever you are buying something.

### History

We have started our unit It's all Greek to me this week. The children have impressive knowledge regarding this period in history which they have enjoyed sharing. We have studied significant Ancient Egyptian cities/polis such as Athens and Corinth and have compared this civilisation with Ancient Egypt that we studied last term. Next week, we are learning about how the Ancient Greeks ruled and Alexander the Great.

### PE

Year 3 teachers inspired the year group with their amazing fitness and PE skills this week. The adults, as well as the children, took part in a circuit of activities including bench press ups, speed running, long jump and sit ups. In the next few weeks we will start practicing for sports day.

### Star of the week

3Rashford

Aila

3Moore:

Ayansh

3Wicks:

Ranveer

Word of the Week: mention
