- 13th December–Christmas lunch
- 14th December–Class parties
- 15th December – end of term

Our Learning

English

This week we have recapped the different jobs that Stone Age people had to do every day and we have used our ideas to inform the prospective holiday makers about the exciting adventures awaiting them at Skara Brae. Next week, the children will write and edit their own holiday brochure about Skara Brae.

Maths

This week we have completed a unit about addition and subtraction. The children have investigated pairs of numbers that add together to make 100. They have also begun to use inverse operations to calculate an unknown starting point or to check the accuracy of an answer. Next week we will begin a unit about multiplication and division.

Music

This week the children have enjoyed using the Dhol Drums to play an accompaniment to the song 'Let's Celebrate Diwali Night.'

Star of the week

3Rashford: Rayyan

3Moore: Freddie

3Wicks: Eesa

Word of the Week: Carbohydrates
