Our Learning

English

This week we have read a very interesting holiday brochure about Skara Brae and we have used persuasive words to describe this Stone Age settlement, including superb, innovative, exceptional and spectacular. The children have enjoyed ranking a variety of persuasive words from most to least exciting. Next week we will begin planning our own brochure using the features we have learnt.

Maths

This week our young mathematicians had the opportunity to consolidate their knowledge of the multiples of 3,5 and 10. They also learnt how to share and group equally which is a concept that embeds their learning of the multiplication table.

Cave art day

A fantastic day celebrating our learning of history and art this term. It certainly seemed that year 3 had travelled back in time. Please see next week's newsletter for more information about this day.
