

# Peek at the Week

## Year 3 – 30th June 2023

### Important Dates / Reminders

- **Priory School Jubilee** - we are going to celebrate the school's opening on **Friday 8th September**. The school will have been open for 70 Years! Please keep checking the schools news-letter for events organised for this special day.
- **Labelling clothing** – please ensure your child's jumper/cardigan is labelled with their name. This will make it easier to locate and return to your child if they are misplaced.
- **Transition day – 4th July**– your child will be meeting their new teacher and new class. An opportunity from **3.15pm to 3.45pm** onwards for you to also meet your child's new teacher and visit their new classroom.
- **Strike days–5th July and 7th July**. Information regarding possible school closures will be announced as soon as possible.
- **Priory Friends meeting** – thank you to all those parents that have attended Priory Friends meetings over the past few weeks. It is fantastic to see positive engagement. The next PF's coffee morning is on **Wednesday 12th July**. We look forward to seeing you then.
- **Year 6 summer fayre–12th July**. Start saving up now for this fantastic annual event. Lots to do for children and adults.

### English

We have sadly come to the end of our unit about The Blue Umbrella! We finished by writing our own love story between two imaginary hats that we created. The Year 3 teachers were very impressed by the stories produced– there are definitely some budding authors in the year group! Next week we will begin reading The Bluest of Blues by Fiona Robinson.

### Maths

This week, our marvelous mathematicians have studied/ drawn bar charts and collected data from their classmates and represented them on bar charts. They have also studied two-tables (that included rows and columns). Next week, the children will continue lessons on time. Please continue to engage your children with learning how to tell the time, especially on an analogue clock or watch.

Maths.Bot is a great tool to use to explore different lessons in Maths with your child. There are different manipulatives to help your child visualise Mathematics.

### Sports Day

**Monday 3rd July between 1–3pm.**

Children to wear PE uniform this day. A celebration of your child's sporting achievements. Please do come along to cheer the children on!

**Swimming lessons will still take place in the morning.**

Please note there will be no PE on Tuesday 4th July due to transition day.
