3Wicks–Trip to the Ure Museum on 9th July

Friday 5th July–Year 6 Summer Fayre

Wednesday 17th July –Sports Day Y3, Y4, Y5 and Y6 9:00am–11:00am approximately

Thursday 25th July–End of term

Learning Together

Thank you so much to all the parents in 3Wicks and 3Moore who attended the learning together mornings this week. We hope you enjoyed your visit and that you gained an insight into the way your children learn in Year 3.

English

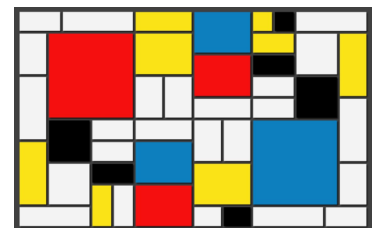

Sadly, we have come to the end of our unit about The Blue Umbrella! We finished by writing and editing our own love story between two imaginary hats that we created. The Year 3 teachers were impressed by the imaginative stories produced— there are definitely some budding authors in the year group! Next week we will begin reading The Bluest of Blues by Fiona Robinson.

Maths

This week, our marvellous mathematicians have begun a unit about Statistics. They have learnt the importance of looking carefully at the key when reading a pictogram and they have created their own pictograms to represent given data. They also enjoyed playing an exciting Maths game called snake to practice their multiplication skills. Next week the children will focus on creating and interpreting bar charts.

Art

This week the children enjoyed looking at some abstract pieces of art by Henri Matisse and Piet Mondrian. They were inspired by the ideas of these artists and they enjoyed using geometric shapes to create their own abstract piece of artwork. In our next Art lesson, we will be exploring a range of Greek patterns and trying to replicate them in our own work.

Star of the week

3Rashford Arham

3Moore Khuzaimah

3Wicks: Johnny

Word of the Week: abstract
