

Year 4 Peek at the Week

Friday 17th November 2023

Important Dates /Reminders

Christmas Fayre: 02.12.23

Christmas jumper day: 07.12.23

Y4 Carol Concert: 08.12.23

Wednesdays: wear the correct PE uniform.

Fridays: New homework due next week:

- Reading x3
- Spellings/ English x1
- Maths x1
- Homework Menu

HOMEWORK

Our Learning

This week, we began our new science unit on the digestive system. We learnt to identify and label the organs found in the digestive system.

In maths, we continued to explore multiplication and division strategies for 3, 6 and 9 times tables and also learnt some fun facts about them.

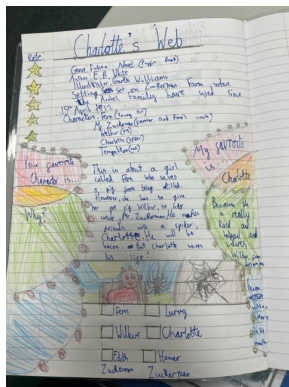

In English, we brought our Charlotte's Web topic to an end by writing our own play script and book review. We will also learnt about the life cycle of a spider!

Next week, in Science we will be investigating food chains and learning about its importance in the ecosystem.

In maths, we will move on to learning the multiplication and division strategies of 7 and 11 times tables. Times Table Rock Star of 4 times table will continue alongside.

In English, we will start a brand new unit on a short film called 'Feast' by Disney Animation Studios. We will learn new skills through narrative writing, and will build on skills we have learnt throughout the autumn term.

Year 4 English work:

PSHRE Focus: Celebrating Difference In PSHRE this term, we will discuss and understand the influences that lead us to make assumptions based on what people look like. Through this we will learn to accept people for who they are and take an active approach to anti-bullying. We will gain an understanding of the what to do when bullying occurs and by the end of the unit, we will know what makes us unique and special.

Child of the week:

4 Redgrave: Arham **4 Simmonds:** Eva **4 Farah:** Gursajan

Remember to read 3 times a week and practise your timetables on Rockstar Maths.
