- Afternoon snacks will be provided by the school.
- There are water refill stations around the park

**22.05.24:** Indian Musical Workshop

**22.05.24:** Musical Soiree

### Our Learning

**This week, in science,** we designed and built switches in a series circuit.

**In DT** we created and conducted a survey research to investigate what children look for in an enjoyable electric game.

**In maths,** we continued decimals by learning how to partition, order, compare and round to the nearest whole number.

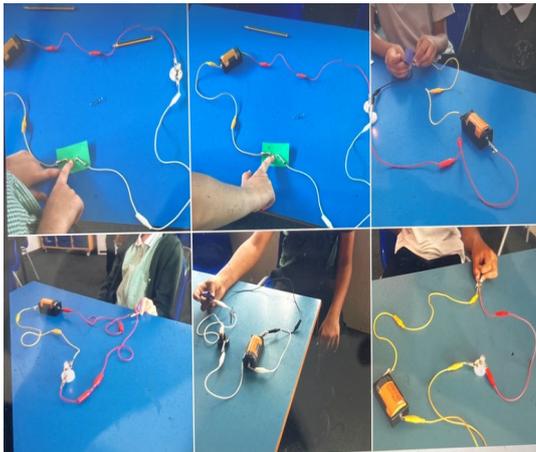

**In English,** we continued with our poetry unit 'Hot like fire', by exploring metaphoric language through different examples of poetry by Valerie Bloom.

**Next week, in DT,** we will be gathering ideas to plan and design a wire buzzer game fit for purpose.

**In maths,** we will start a new topic on Money exploring how to write money using decimal, convert between pounds and pence and compare amounts of money.

**In English,** we will be exploring the poem 'The People Next Door' further and will have the chance to write a letter in response.

Year 4 Gallery:

**PSHRE Focus: Relationships:** In PSHRE this term, we will recognise situations that can cause jealousy in relationships and can identify someone we love and express why they are special to us. We will know how most people feel when they lose someone or something they love and can recognise how friendships change, knowing how to make new friends and manage fall outs. We will understand that some relationships are special relationships for when we are older and there is no need to feel pressured. Lastly, we will know that we can love and be loved by others.

### Child of the week:

**4 Redgrave:** Siena-Maria **4 Simmonds:** Albie **4 Farah:** Abdu-Raqeeb

Remember to read 3 times a week and practise your timetables on Rockstar Maths.
