Year 5 had a visit from the Fire Service this week. They spoke to us about how to stay safe at home and what to do in an emergency. We were also allowed inside the fire truck!

Our Learning

This week, we continued to explore perspective in our art lessons. We looked at texture and how this can add realism to our drawings.

In maths, we continued our topic on co-ordinates and focused on reflection, as well as starting our new topic of decimals.

In English, we wrote our own version of The Highwayman. Here, we applied techniques learnt in English this term.

In PSHRE, we are focusing on a variety of aspects aiming at online gaming, communities and building relationships safely.

Next week, we will apply skills learnt in art to a drawing of the school grounds. We will also begin our unit on Sikhism where we will explore links between this religion and others studied this year.

In maths, we start our new topic of decimals, and will learn new strategies for adding and subtracting decimals across 1.

In English, we will recap our Reading Skills with a focus on stamina and complete some mini assessments during the Y6's SATs week.
