

Year 5 Peek at the Week

Friday 19th July 2024

Important Dates / Reminders

25th July: End of term

3rd September and 4th September: Teacher Insets

5th September: Children back to school

Our Learning

This week, we started our cooking and nutrition unit where we looked at Great British Dishes.

In maths, we continue our topic of Volume where we focussed more on the practical side of measuring and comparing.

In English, we finished our text 'Street Child'. We focussed on writing strategies based on summarisation, comparing texts and creating an emotional graph for our characters.

Next week, we will begin our computing unit where we are looking at online safety in particular we will be focus on online and off line profiling and banter.

In maths, we will continue with our Volume unit. We will look at cubic centimetres and compare and estimate capacity and volume.

We had a lovely time at sports day and the sun was shining!

PSHRE Focus: In PSHRE this term, we are on our last JIGSAW unit 'Changing Me' where we will learn about self-image, puberty and coping positively with change. Towards the end of the unit, we will start preparing ourselves for the year ahead by focussing on building healthy relationships and learning the skills required to develop resilience, assertiveness and self-respect.

Child of the week

5Dawe: **Mahnoor** 5Maple: **The whole class** 5Ofili: **Liyana**

Word of the Week: **vehicle**

Remember to read 3 times a week and practise your timetables on Rockstar Maths and Doodle Maths.
