01.02.24 Learning Together Morning

02.02.24 Y6 Trip to the Natural History Museum

Maths homework will be set on a Monday and is due in school the following Monday.

Children should select and complete one option from their homework menu each week. The work will be shared in as class homework gallery at the end of term.

The children have a spelling test each Wednesday and should bring in their grammar homework to be marked.

Don't forget to wear the correct PE uniform to school each Thursday.

Our Learning

This week, we have been learning about the work of the scientists: Mary Anning and Carl Linnaeus.

In English, we continued to work on our sentence stack inspired by: Moth—an Evolution story.

In Maths, we continued to develop our knowledge of decimals including addition and subtraction of decimals and multiplying decimals by whole numbers.

Next week, we will be using scientific keys to classify animals and beginning a unit of work exploring North and South America.

In Maths, we will be beginning a unit of work involving fractions, decimals and percentages.

In English, we will be planning and writing a narrative poem inspired by Darwin's finches.
