Half Term Homework

Please can the children ensure that they use their scripts to learn any lines they may have and the words to the songs for the Year 6 Production.

Our Learning

This week, we completed our auditions for the Year 6 Production and learnt some of the songs that we will be singing in the show. We also continued to explore how artists represent city-scapes in different ways. In our geography lessons, we began a unit of which focussed on the growth of cities. This included exploring Google maps and comparing the cities of London and New York. In Maths, we completed some Maths investigations.

After half term, we will begin to rehearse our Production. Over the holiday, the children should learn the words to the songs and any lines that they may have. They should also organise their costume. Each child has been given a script, the cast lists and a sheet of costume ideas to help them do this.

This year our Year 6 Production will be:
